**By Peter Thomson : Sacred Sea: A Journey to Lake Baikal** ice trek across frozen lake baikal day 1 after arrival to irkutsk airport railway station you will be hospitably met by our local guide he will organize for you view lake baikal in a larger map though its less than one tenth the area of russia's other amazing lake the sprawling caspian sea lake

Baikal actually holds Sacred Sea: A Journey to Lake Baikal:

0 of 0 review helpful Perfectionist beholds the Perfect Lake By David Savageau Let me risk a guess why seven years passed between Peter Thomson's first visit to Siberia's Lake Baikal and the publication of this book He is a perfectionist trending gloomy His self disclosure in the narrative tells all His marriage failed for decades the Red Sox have been a chronic disappointment your chance Siberia's Lake Baikal is one of nature's most magnificent creations the largest and deepest body of fresh water in the world And yet it is nearly unknown outside of Russia In Sacred Sea the first major journalistic examination of Baikal in English veteran environmental writer Peter Thomson and his younger brother undertake a kind of pilgrimage journeying 25 000 miles by land and sea to reach this extraordinary lake At Baikal they find a place of sublime b From Publishers Weekly Environmental journalist Thomson founding producer and senior editor of National Public Radio's Living on Earth combines introspection with objective reporting in this engaging account of his six month pilgrimage to Siberia's Lake Baikal
