The Coast of Australia:

0 of 0 review helpful Best Beach Book By H L Oak This is an unusual book that appeals to the expert as well as the casual beach lover Excellent information and wonderful photography 0 of 0 review helpful First of all great customer service I had an issue and they took care of it right away Love this This is my third purchase N By Customer Great product great tra Australia has one of the longest most diverse and pristine coastlines in the world From the oldest rocks on the planet to those that are still evolving the Australian coast is a dynamic ever changing suite of dramatic landforms and productive ecosystems From iconic beaches such as Bondi and long unbroken sands of the Coorong to the endless curtain of the Nullarbor cliffs along the Great Australian Bight this illuminating book explores these magnificent landforms r what makes this book so special is that in addition to the wow factor arising from the over

200 colour photographs it also offers an excellent synthesis of how the Australian coast has evolved The book is extremely well written and attractively t
