**By G.M. Mapstone : Siphonophora (Cnidaria, Hydrozoa) of Canadian Pacific Waters** educational introduction to jellyfish and other cnidarians by using high quality free photos and images which are in the public domain or licensed under a creative Siphonophora (Cnidaria, Hydrozoa) of Canadian Pacific Waters:

This important work updates siphonophore taxonomy for the first time in 40 years applying and extending the new holistic terminology recently introduced by other authors and providing full synonymies for many common species. Divided into 10 sections it includes general sections on systematics, life cycles, and ecology, detailed descriptions and diagnoses for 37 species collected from Canadian Pacific waters, relevant genus and family diagnoses, and three keys. With more
