2 of 2 review helpful used book in very good condition wonderful content By CG I ordered this used book online and am extremely pleased with the quality I had feared a worn dog eared and or stained copy but it arrived looking brand new I volunteer as a beach naturalist and this out of print book was highly recommended as a resource It IS wonderful I find it much more useful than several other recommended books Paperback 262 pages Publisher Globe Pequot Pr 1st edition May 1988 Language English
